Temporary investment

[388(3)(a) and 393]

An association may acquire control of, or acquire or increase a substantial investment in, any entity as a temporary investment [393(1)].

Holding period:

- Where the entity is not a PE only because the association did not obtain the Minister's approval under subsection 390(5), the association may hold control of, or a substantial investment in, the entity for (a) **90 days**, or (b) **over 90 days** where the association requests, within 90 days of acquiring control of, or acquiring or increasing a substantial investment in, the entity, the Minister's approval to extend the holding period [393(4)]. At the association's request, the Minister may (a) allow the association to reclassify the investment under the PE category [388(6), (7) and 390(5)] or (b) extend the holding period, including for an indeterminate period [393(4)].
- Where the entity is not a PE only because the association did not obtain the Superintendent's approval under subsection 390(6), the association may hold control of, or a substantial investment in, the entity for **2 years** or such other period specified by the Superintendent [393(1)]. At the association's request, the Superintendent may (a) allow the association to reclassify the investment under the PE category [388(6), (7) and 390(6)] or (b) extend the holding period for one or more finite periods [393(3)] or for an indeterminate period [393(5)].
- In all other cases, the association may hold control of, or a substantial investment in, the entity for **2 years** or such other period specified by the Superintendent [393(1)]. At the association's request, the Superintendent may extend the holding period for one or more finite periods [393(3)].

Loan workout

[388(3)(b) and
394]

Where an entity is in default with respect to a loan that an association or its subsidiary has made to the entity, the association or the subsidiary may acquire all or any of the shares of, or ownership interests in, (i) the entity, (ii) any affiliates of the entity, or (iii) an entity that is primarily engaged in holding shares of, ownership interests in, or assets acquired from, the entity to which the loan was made or any affiliates of the entity to which the loan was made [394(1)].

Holding period:

- The association may hold control of, or a substantial investment in, the entity for **5 years** [394(2)] or longer where the Superintendent grants an extension [394(4)].
- Where the entity is not a PE only because the association did not obtain the Superintendent's or the Minister's approval under section 390, the association may hold control of, or a substantial investment in, the entity for an **indeterminate period** where the association, within the holding period described above, (a) reclassifies the investment under the PE category, with the Superintendent's or the Minister's approval [388(6), (7) and 390] or (b) obtains the Minister's approval [394(7)].

Despite the above, where a foreign government, or an entity controlled by a foreign government, is in default with respect to a loan from, or debt obligations held by, an association, the association may acquire all or any of the shares of, or ownership interests in, the entity or any other entity designated by the foreign government, if the acquisition is part of a debt restructuring program [394(5)]. The association may hold those shares or ownership interests for a period specified by the Superintendent, including for an indeterminate period [394(6)].

Realization of a security interest

[388(3)(c) and
395]

An association may, through the realization of a security interest held by the association or its subsidiary, acquire control of, or acquire or increase a substantial investment in, any entity [395(1)].

Holding period:

- The association may hold control of, or a substantial investment in, the entity for **5 years** [395(2)] or longer where the Superintendent grants an extension [395(4)].
- Where the entity is not a PE only because the association did not obtain the Superintendent's or the Minister's approval under section 390, the association may hold control of, or a substantial investment in, the entity for an **indeterminate period** where the association, within the holding period described above, (a) reclassifies the investment under the PE category, with the Superintendent's or the Minister's approval [388(6), (7) and 390] or (b) obtains the Minister's approval [395(5)].
